

# People of The Student Experience

## Devin Hagerty (Co-Chair)

*Professor of Political Science and Director, Program in Global Studies*  
Brings 20 years of teaching experience at four research universities, as well as the kind of global worldview that our students will need in the 21st-century world.

## Kim Leisey (Co-Chair)

*Associate Vice President for Student Affairs*  
Brings over 25 years of working in student affairs, as well as teaching and advising undergraduate and graduate students at three universities.

## Ken Baron

*Assistant Vice Provost for Academic Advising and Student Success*  
Brings an informed perspective on the critical academic resources needed for undergraduate student success. Ken brings an excellent "start to finish" perspective on the manner in which undergraduate students actually navigate their way through UMBC.

## Craig Berger

*Coordinator of Student Life for Campus and Civic Engagement*  
Brings insight into students' views of student life at UMBC, especially as it involves the Student Government Association, and familiarity with UMBC's distinctive approach to civic engagement, its acclaim among national stakeholders, and the concept of civic agency.

## Jessica Carrick

*Auditor with Lindsey+ Associates, UMBC alumna 2010 B.S. Financial Economics, MBA Prep Studies Cert., Minor GWST*  
Brings the perspective of an alumni who graduated from UMBC with a degree in financial economics and also a minor in gender and women's studies. Jessica is a professional working within the field of her major, and has the distance of a few years which gives her the ability to look at UMBC with fresh eyes.

## Bruce Herman

*Director UMBC Counseling Center*  
Brings close to 30 years of experience discussing students' experience in counseling. Prior to coming to UMBC Bruce headed up efforts to reach out to students to promote mental health at two universities. He is experienced in utilizing public health approaches to mental health promotion. He has also taught at four universities and in the more distant past worked with students in Residential Life, Physical Education and Advising.

## Romy Hübler

*GSA Vice President and Doctoral Candidate*  
Brings a deep understanding of graduate student issues and concerns. Romy's dissertation explores graduate student experiences with engagement in coursework, research, and co-curricular activities, as well as the impact of engagement on career development and active participation in society.

## Christine Routzahn

*Director, Career Services Center*  
Brings her passion for student success, expertise in career development, and commitment to helping students discover their potential.

## Neil S. Rothman, PhD

*Lecturer, Mechanical Engineering*  
Neil teaches 6 classes during the regular academic year and 1-2 over the summer. He has a lot of interaction with students both in and out of the classroom. He is the faculty advisor to the ASME student section and UMBC Baja team and an academic advisor for the ME Department and summer orientation. Having worked in industry for over 30 years, Neil brings both an industry and academic perspective to the planning process, what we need to do to prepare our students and what industry is looking for.

## Anne Sarah Rubin

*Associate Professor of History and Director of the Center for Digital History and Education*  
Brings a long history of teaching and advising all kinds of students, from first years, to transfers, to upper-level majors, to MA students.

## Ae Lim (Ally) Yang

*Biochemistry and Molecular Biology B.S./ MD./Ph.D. Track, Honors College, member of the Student Government Association, Student Ambassador*  
Brings the 'student' perspective in student experience and is looking forward to first-hand experience of working on the strategy group and its potential impact on campus life.
